New Sermon Series: "Beholding Christ the Son of God" - A Portrait of Jesus in the Gospel According to John

The Gospel of John is unique among the other gospels, focusing on intimate conversations, profound miracles, and the cosmic identity of Jesus Christ. Over the coming weeks, we will dive into a portrait of Jesus as the promised Messiah and the Eternal Son of God. By believing in Jesus, we can have eternal life in His name. Come prepared to be challenged and transformed by the truth of the Word who became flesh.

A **new Bible study series** on the resurrection will begin on **Tuesday, April 14** in the **Eneas Parlour**. This series will explore the importance of the resurrection and how the resurrection changes everything. We encourage everyone to join us for this time of study and discussion.
